Village of Pecatonica Upcoming Events

Upcoming Events

Hello residents,

Please allow me to introduce myself as your new village President. My name is Tom Heister. I have been a resident for 16 yrs. have been active on the board as a trustee off and on for 9-10 years. I served on the planning and zoning commission as well. I was currently a 4 year trustee before being appointed as President by my fellow trustees. As most know, there have been a lot of changes in our community as of late. I want everyone to know that the board is working hard to overcome these setbacks. The attitude of everyone is positive and a new energy has been created. The street projects that were started in 2021 are finally finished. The last big portion of that was completed this summer. More monies than expected were spent on these projects. More street work is being considered moving forward. We do have an interim Chief of police, as well as other officers. We are currently working on a hiring procedure to bring in a new Chief. The big project that will take place this summer is the repair and repainting of the water tower. This project is long overdue. There will be no interruptions in your water service. Also, a smaller project will be done this year to replace any existing lead water services. The later of the two projects is being mandated. The new development property on the south end of town is also in motion. The board has elected to bring in a local commercial realtor. We feel this will be very beneficial to us, and no cost unless the property is sold. With the above projects, there will be NO tax or rate increases. The board and I look forward to giving our small town a brighter future! Have a Merry Christmas!
